

Change Account

The Harlowsave Change Account card is now available

Harlowsave is now offering members the option of applying for a Change Account card, a new form of transactional account.

The Change Account card offers many advantages over the old prepaid card. As well as being a prepaid debit card, the Change Account card also provides full current account services including current account number, banking sort code, direct debits, standing orders, faster payments and a MasterCard debit card. It also pays you retailer cashback rewards of up to 15% from participating high street stores.

Opening a Change Account is free for Harlowsave members with a saving of over 50% on monthly management fees.

If you are interested in applying for Change Account please call **01279 451234** or enquire using the form below.
